

**Alpha Kappa Alpha Sorority, Incorporated®
Theta Xi Omega Chapter
2024 Cotillion Club**

Alpha Kappa Alpha Sorority, Incorporated®, Theta Xi Omega Chapter is in the process of inviting prospective young ladies to become members of our 2024 Cotillion Club. Our Cotillion Club is made up of young ladies who are currently juniors in high school.

The main focus of the Cotillion Club is to cultivate finer womanhood among our young ladies through workshops, field trips, and an appreciation of our legacy as African American women and to introduce them to society in a formal setting. This formal setting will be our Cotillion Ball on December 15, 2024.

Please complete this application if you're interested in participating in this memorable social event. All applications will be due on or before March 10, 2024. Please return to June L. Nelson using the contact information below. Enclosed are the club requirements. We hope you will accept this great opportunity to be an AKA Debutante.
